

Classroom Celebrations!

Throughout the year we have various celebrations and many of you help by bringing food, drinks and paper goods. We just want to remind you of the following regarding classroom celebrations:

- ❖ All food products must be store bought and packaged. Home baked goods are not allowed.
- ❖ Birthday celebrations should be done at home. You may bring a small treat, cookies, *small* cup cakes etc. to share with your child's class. Please avoid sheet cakes since the teacher does not have time to prepare these. Also avoid "pizza parties" etc. These treats will be given to the class **AFTER** 1pm so not to interfere with lunch.
- ❖ If the class is having a class celebration paper goods including napkins, wipes and paper towels are always welcomed. Birthday napkins, hats, plates etc. are not necessary.
- ❖ If you are providing drinks for a celebration, small bottles of water, juice boxes or juice bags are easiest. Soda is not recommended, and having drinks in cups can cause spills etc.

*The Ida Jew Staff thank you in advance
for adhering to these guidelines.*
